EXPERIENCE

Student Ambassador at University College London **2016-Present**

- Responsible for leading groups of students that meet the Access scheme including those from underprivileged backgrounds.
- Effectively dealt with any behavioural and pastoral concerns shown by students.
 - Key Skills: *communication, leadership, humility.*

Host and Chef at Lobster Pot Catering **2015-Present**

- Responsible for managing a team at over 200 events such as weddings, parties and funerals.
- Learnt new ways of dealing with conflict, including legal disputes with consumers.
 - Key Skills: *time management, customer service, due diligence, problem-solving under pressure.*

Teaching Assistant MAT186 (Calculus I) at University of Toronto **2018-2019**

- Responsible for teaching weekly tutorials, setting weekly problem sets and marking homework and project tasks.
- Learnt the structure and organisation of teaching within the Mathematics/Engineering department.
- Helped students who had previously failed the module to pass and continue into their next year of study.
 - Key Skills: *organisation, communication, problem-solving, leadership.*

Kitchen Chef at HIIT Kitchen **2018**

- Responsible for creating healthy and nutritious dishes for high-performance athletes.
- Ensured customer requests, including allergy and other preferences, were satisfied to the highest expectations.
- Worked at the UK's Strongest Man event in 2018, making over 1000 meals for competitors over the weekend.
 - Key Skills: *creativity, customer service, attention-to-detail.*

Mentor at Debate Mate **2018**

- Spent up to 3 hours a week teaching debate and mentoring young students in London from less privileged backgrounds. This was an opportunity to give back to the community and develop my responsibility, reliability and punctuality skills.
- Completed a day training new graduates at the Deloitte Academy on how to effectively communicate and its applications within a working environment.
 - Key Skills: *professionalism, teaching, lesson planning, public speaking.*

Intern at Artemis Investment Management **2017**

- Gained background knowledge on the fund management and presented my own decisions on how I would nurture a particular fund's growth.
 - Key Skills: *teamwork, risk assessment, problem solving.*

Customer Service Team Member at Ocado **2017**

- Responsible for my own time management and direct communication with customers.
- Learnt the importance of prioritising critical tasks as well as keeping customers happy.
 - Key Skills: *working under pressure, decision-making.*

Supermarket Assistant (Wine and Beer Specialist) at Waitrose **2014-2017**

- Responsible for running the beverages department, which brought in up to £30,000 revenue each week.
 - Key Skills: *teamwork, decision-making, self-discipline, delegating.*

LEADERSHIP AND TEAMWORK

- **Awards:** House Captain, Mathematics Prize, Chemistry Prize, Senior Colours (Basketball & Athletics).
- **Societies:** UCL Economics and Finance, UCL Mathematics Society, UCL Basketball 1st Team, UCL ACS.
- **Sporting Excellence:** Represented the County and Region in Decathlon and Discus for South England at the English Schools Athletics where I attained a bronze medal. Commitment to Football, Rugby and Basketball amongst others, led to my appointment as House Captain. Recently completed the Bournemouth Marathon, raising over £800 for Cancer Research.
- **Production:** Performed in over 12 drama productions and uncountable music performances.
- **Public Speaking:** I had the pleasure to deliver a speech to over 400 people about the Lessons from Auschwitz project of which I recalled and reflected upon my experiences on the government-sponsored trip to Oświęcim. This was a highlight of my time at school and really made me think about how to appropriately communicate on topics of this sensitivity.

KEY SOFTWARE AND LANGUAGE SKILLS

- **Advanced:** Logic Pro X, Final Cut X, Microsoft Office. **Intermediate:** Python, French. **Beginner:** German, R.
